

# Galena High School Correspondence Course Contract

Galena student: \_\_\_\_\_ Student ID: \_\_\_\_\_

This contract reviews some of the requirements, expectations, and deadlines for online courses. Please carefully read and review with your parent/guardian and sign below. **Signed contracts need to be returned to your counselor before the course will be added to your Galena schedule.**

## PLEASE NOTE:

- We cannot guarantee colleges will accept credits from online schools or other programs.
- We cannot guarantee the NCAA Clearinghouse will accept any online programs, classes, or credits.
- Check with your Galena counselor first to see which courses will satisfy high school graduation requirements prior to registering.
- We do not recommend an online class over a traditional, teacher-taught class on campus.
- **REMEMBER:** Galena High School has no connection or authority over BYU, Acellus or other online programs or the administration of any of their courses. Students are solely responsible regarding this commitment.

## IMPORTANT DETAILS:

- **Students must FINISH THE CORRESPONDENCE COURSE AND FINAL EXAM in one semester** if the course is part of the required minimum load.
- BYU allows students one full year to finish their course; however, for Galena requirements, you must finish your class(es) in the semester to count it in minimum load.
- If students do not complete the course by the semester deadline, an F will be posted on their transcript.
