

Kindergarten Supply List

We are excited to start this new year with your kiddo! Please bring the following supplies **already unwrapped/without packaging** when your child comes for their Kindergarten screener (except for crayons – please leave crayons in the box). This saves teachers SO much time and we greatly appreciate your help in removing and throwing away packaging before supplies come to school. 😊 You can send items loose in a zipped bag. Teachers will collect these items and put together supplies for each student, so please do not label any items other than your child's headphones. We also have requested these brand names for items as they are better quality and last longer for our kindergarteners. Thank you!
