Dear Picollo Families,

I hope you are having a wonderful summer! Picollo hosted ESY for the first four weeks of summer, and we are now well underway with getting the campus ready for students to return in August. The first day of school this year will be Monday, August 14th. School will be in session from 9:30-3:30 Monday, Tuesday, Thursday, Friday and 9:30-2:45 on Wednesday. If your student rides the bus to school, you should be contacted by transportation between August 7-10. If you don't hear from them by the 11th, please call dispatch at (775) 337-7769. I have also included the WCSD balanced calendar, so that you can see when our breaks and holidays will be this year.

We are excited to welcome all students back for another eventful school year. As the new principal at Marvin Picollo, I will continue to facilitate the best practices for teaching our special population. We will maintain a focus on providing an individualized standards-based educational experience that incorporates academics and functional life skills. Our mission is to maximize independence and self-determination leading to a fulfilled quality of life for each student.

Please check our school website throughout the year for updates on a variety of events and information, [www.washoeschools.net/picollo](http://www.washoeschools.net/picollo)

For the 2020-2024 school year, your child, \_\_\_\_\_, has been assigned to \_\_\_\_\_'s class in Room \_\_\_\_\_. If you have any questions, please call the Picollo office at (775) 851-5650. I hope you enjoy the rest of your summer, and I look forward to seeing all the students in a couple of weeks!

Sincerely,

Jodee Prudente M.A., NBCT, BCBA
