**Victoria Hardy:** Assistant  
Principal

## North Star Online School Waiver of Liability Form

North Star Online School serves students in multiple capacities. Most often, students work online from home or other environments in which Wi-Fi/internet service is available. Students sometimes attend on campus and/or off-site school sponsored activities including mandatory testing, in-person student support opportunities, field trips, and working in the labs. Our campus is open Monday-Friday 8:00am-3:30pm. Due to the nature of our open campus, families are encouraged to have a plan in place for drop off/pick up of students, as well as rules for leaving campus during school hours. The student and/or a parent will sign-in on arrival using the District's computerized system. Upon departure, the student and/or parent will sign out using the District's computerized system. If a student fails to sign out when they leave campus, school administration may not know the time the student left campus; however, the student is still bound by the rules and regulations pertaining to personal conduct as outlined in the student handbook and will be subject to disciplinary action for violations.

**Waiver of Liability:** By signing this agreement, the student and parents agree to release North Star Online School, an online school with the Washoe County School District, from all liability for a student's actions during his or her exercise of the open campus privilege. Furthermore, this signed agreement also releases North Star Online School for any personal injury or loss of life while the student is exercising his or her open campus privilege. In consideration of permission to participate in open campus at North Star Online School today and on all future dates, I, on behalf of myself, my spouse (if applicable), my heirs, personal representatives, or assigns, do hereby release, waive and discharge Washoe County School District and North Star Online School, (including its officers, employees, and agencies) from liability from any and all claims resulting from the inherent risks, associated with the open campus from negligence, strict liability, breach of contract, or any act or omission. I also agree to hold harmless, defend and indemnify Washoe County School District and North Star Online School, its officers, employees, and agencies (that is, defend and pay any judgment and costs, including investigation costs and attorney fees) from any and all claims of mine, my spouse (if applicable), family members, or other third parties arising from my student's participation in open campus at Washoe County School District and North Star Online School (including those arising from in the inherent risks or negligence, strict liability, breach of contract, or any act or omission). I covenant not to sue Washoe County School District or North Star Online School, its officers, employees, and agencies for any present or future claims arising directly or indirectly from my participation in this event.

**Assumption of Inherent Risk:** I understand that it may be impossible to list all the inherent risks associated with an open campus, but some are listed to give the parent a better idea of the risks involved. These include student abduction, damage to property, personal injury, or death to the student due to pedestrian accidents and/or vehicular accidents. This list is not inclusive and extends to damage and/or loss of personal property as well.

I understand the inherent risks associated with an open campus. I have read the previous paragraphs and I understand the nature of an open campus. I hereby assert that I knowingly assume all the inherent risks of the activities, waive all liability, and that by signing below, I authorize my student to participate in the open campus environment at North Star Online School. If I am signing this release on behalf of my minor child, I agree and understand that I will be giving up rights for the minor as if I had signed it on my own behalf. I acknowledge that I have reviewed and understand all the above.
