SPRING INTO THE LAST STRETCH OF THE 24/25 SCHOOL YEAR!

Hello! We are on our final stretch of the 24-25 School year. This newsletter, we will take a look back into our programs at all of the fun and exciting things that we did this year, give pertinent information pertaining to summer registration and 25/26 membership. We will also dive into a few summer program reminders, share exciting opportunities with specialty camps and field trips and introduce our summer staff. Every newsletter brings you a step closer to understanding how great futures truly begin right here, at the Boys & Girls Club of Truckee Meadows-Spring & Summer Edition!

Programming Fun

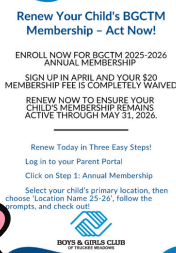

Programming at our BGCTM school sites is designed to be dynamic, engaging, and impactful. We offer a wide range of activities that support academic success, leadership development, and community engagement. Middle school members have the opportunity to participate in mentoring trips to youth sites, fostering connection and responsibility across age groups. Our Give Back Like Jack service projects empower members to make a difference in their communities through hands-on volunteer work.

Family Nights

We're excited for our upcoming family nights that are all about connection, celebration, and community! Join us for our Movie in the Park event on May 16th, a fun-filled evening under the stars for the whole family. Then on May 23rd, don't miss our Second Annual Sun Valley Summer Jam—an incredible event that brings together families from across the Sun Valley area. This celebration highlights the amazing work happening in the DSMS classroom, offers support with summer registration, and features activities, food, and fun for everyone. It's a perfect way to kick off summer and strengthen the bond between families, staff, and the Club!

What's New at the Club?

25/26 Annual Membership

As a special offer, for the month of April, we are waiving the \$20 Annual Membership fee across all locations!
