Hello Grizzlies,

Here are some brief updates and reminders. Thank you to our entire community for helping us with a great start to school this year! We received our final word on enrollment and Count Day, and we have **1278 Grizzlies this year**. This is an increase of 68 students from last year!

Events:

Thank you to the Galena Student Leadership Class, the Galena Athletics Department and Athletic Teams, and the JROTC Battalion for the amazing Homecoming Events that took place on Friday the 23rd, and Saturday, September 24th. Starting with the Assembly and Powderpuff Football game on Friday night, then on to an exceptional day of food, fun, competition, and dancing for everyone on Saturday. 4 Soccer games, a District wide JROTC Raider competition, 2 Football games, and a Dance all in one day! Also, the “Founding Members” of Galena from the 1993-1996 graduating classes also came to the event and were able to tour the school and reminisce.

Please make sure to review the “[rSchoolToday](#)” calendar tab on the Galena website for upcoming Academic, Activity, and Athletic events. This is the main calendar for the school, so all the events are listed here. Athletic events are in full swing right now, so come out and catch some student/athlete competition.

Staffing and Substitutes:

Currently, we are still looking for teachers in the following subjects: Geometry, Financial Literacy, English Language Learners, and Special Education. If you are interested in becoming a substitute teacher to fill one of these positions, the contact number for the WCSD Substitute Services Department is 333-3771. The message will give specific instructions for reaching the State Department of Education which issues the license to be able to substitute, and then how to matriculate into WCSD. Even if each of our community members could cover just one day a month, it would greatly help us as we move into the colder Winter months. We are consistently in need of subs, and when we don’t have any, our teachers have to cover classes during their prep periods.

Additional Information:

Please listen/read the Connect-Ed messages or consult the [Galena Website](#) and/or the [Galena Parents Facebook](#) page for information about events at the school. All Connect-Ed messages are uploaded to both online locations as well. These three sources of information are prepared and delivered by the School Administration, and therefore, the content is factual. The Galena Parent Facebook page is maintained by the Galena 5 Star Parent/Teacher Organization, and they receive information directly from the Galena Administrators.

Counseling Corner

Happy October Grizzlies! We are at the midpoint of the first semester already- hard to believe it's here! A few reminders: the grade report that comes home at this point is a "progress report". Know that progress report grades are not reflected on the "final" high school transcript. Only *final* semester report card grades are reported on the transcript. If your progress report has low grades, you still have time to improve those grades before the semester ends in December. The second semester will end in June. As we always emphasize to students- the December and June final grades are the 'permanent' ones!

The counselors have just wrapped up visiting all the English classrooms (each grade level) to provide students with detailed information on their credit status, diploma types, general credit/high school information, and various "post" high school, college, and career information resources.

SENIORS: you should be actively and consistently reviewing Ms. Applebach's Teams channel so you can stay on top of financial aid, college, and scholarship application updates. We are heading directly into the 'college application deadline' season and we are here to support students as they navigate this deadline-filled time!

- Staying organized and on top of each deadline is key to making sure you do not miss any critical deadlines and feeling more prepared and ready.
- The College and Career Center website, along with the Galena Counseling website, contains valuable information and resources to assist you in this process.
- Ms. Applebach in the College and Career Center and your counselors are here to support you so don't hesitate to reach out if you have any questions!

Now that we are halfway through the semester, students often know what classes (if any) that they are struggling in. We always encourage our students to reach out first to their teachers for additional support and guidance. Galena has a team of fantastic teachers who are more than willing to provide extra help and support to students, but the student must be willing to ask for help and take advantage of the extra help offered. **Many teachers are available at lunch and either before and/or after school (students should check with their individual teachers). The 7th period Academic Success class is also a valuable opportunity for students to get assistance.**

- Parents should have access to student grades, attendance, and assignments on Infinite Campus.
- If you have not logged into Infinite Campus yet or are having problems logging in, please contact Dana Leslie in our main office at extension 30511.
- Please continue to regularly monitor your student's progress so that any difficulties or problems can be addressed immediately!

Counseling Corner (Continued)

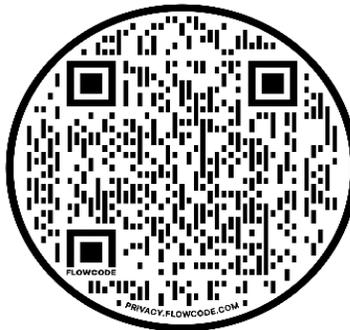

At Galena, academics is our number one priority; however, we absolutely do encourage you to help your student maintain a balance of fun activities and school-related responsibilities. Hopefully your student is learning more about some of the clubs, sports and student organizations that Galena has to offer. If your student would like to start a club, have them check in with us and we can point them in the appropriate direction for more information. The more a student becomes involved and connected with school-related activities, quite often school becomes a more positive experience.

We are here to help, so please contact us with any questions or concerns. Here's to a great Fall season Grizzlies and strong finish to the first semester!

Several businesses visited with students during lunch which included a REMSA Ambulance and a local logistics company that provided a lift operating forklift. **Our future Career lunches are scheduled for 10/20 and 11/9**. Our Galena J4NG students will be hosting and presenting the career lunch on 10/20 so come visit and support our programs. There will be organizations including Military, Entrepreneurs, Panasonic, Medical Skills for Life, Aviation Experts, Washoe County Human Development and much more. Library News

By Sharon Black, M.A. Librarian, sblack@washoeschools.net

Greetings from the library!

It's been a remarkably great year so far, and we are excited to see it continue. The library has been full of patrons studying and collaborating, hanging out and chatting with friends, eating lunch and watching movies, and just in general enjoying a cozy and safe space. Remember that our raffles are ongoing and easy to participate in!

I mentioned this last month but I'll say it again. **If your student is having any tech issues this year, please don't hesitate to send them our way.** If we can't figure it out, we'll be able to direct them to who can.

Also a quick reminder that we are always striving to beautify our space! We are still grateful to our 5 Star Booster/PTO for the lovely tables they purchased for us last year. What a difference! This year we are looking to partner with people in the community to further enhance the library. **One goal is to replace our chairs over the next few years. If you are interested in purchasing even one chair, we are happy to slowly accumulate them in order to make our space more inviting and comfortable for our students.**

And finally, don't forget the library runs annual trips through EF Tours. If you are interested in one of our trips, please keep your eye on Galena Parents Facebook page and/or email me at any time. I've always been an avid traveler and am happy to do everything I can to help your student travel! This year's trip (London, Paris, Florence, Rome) is set for this March and is full (although there is a waiting list), but if you are interested in having your student join us for our **March 2024 trip through Berlin, Prague, Krakow and Budapest**, please contact me.

As always, if you have any questions at all, please don't hesitate to reach out.

All the best,

Ms. Black
