

# Field Day 2025 Parent Volunteer Information

## ○ **Parent Field Day Volunteers:**

- Hello parents, we need your help! On **Thursday, June 5<sup>th</sup>** our school will be having our end of the year annual field day.
- **We need parent volunteers to help run the stations.** The classes will partake in field day activities during a 2-hour session:
- **Morning Session: 9:45am – 11:45am (EC/IEC, Strat K-2, K-1)**
- **Afternoon Session: 1:20pm – 3:20pm (2-5)**

## ○ **Parent Options:**

- You can either volunteer for both the morning session and afternoon session, or just one session.
- You can either select a session that is not the same as your student's. (For example, if you have a student in an AM class you could join the class in the AM and then volunteer to run the PM session.)
- The other option is if you just want to run a station and watch your student as they come through, you can choose to work that session.
- Please plan on arriving 30 minutes before your session starts, and you will be receiving more information as it gets closer.
- **You have to have your volunteer paperwork filled out to be a Field Day Volunteer and/or join your student's class for field day. It needs to be completed by Friday, May 2nd!!! Do it now! Volunteer form is attached to this email.**
- If you are interested in helping out, and volunteering for one of the sessions, please let us know ASAP. You can fill out the following form and Kate Littlefield, our Dean, will get in contact with you:
