## Intermediate CLS (Grades 3/4/5)

### Supply List for 2025 / 2026

#### **What your student will need every day, please label everything :)**

- Standard sized backpack, with name on the inside for their safety. Please consider their age when selecting a cartoon themed backpack. Put their name on the inside of the backpack for their safety.
- Pull ups and wipes (if your student is using them, we can store bulk, if that makes things easier. You will be notified when your student is getting low on supplies, if your student doesn't have the supplies they need, the school will call you to bring needed supplies immediately).
- Extra full change of clothing (to be stored in the backpack, if none is available at the time needed, the school will call you to come bring clean clothing immediately).
- Flushable wipes (if your student is working on the life skill for proper wiping).
- Daily snack (if you want your student to participate in our afternoon snack routine).
- Daily water bottle (the drinking fountains are always available).

#### **2025 – 2026 School Supply list :**

1. \$20.00, this will cover disposal supplies throughout the year.  
(Please make checks out to Marvin Moss Elementary School)
  - If you would prefer to supply your student with their own materials, they will need the following everyday and I will notify you when your student needs more supplies: 1 standard plastic pencil box, standard wood pencils, 1 packet of colored pencils, numerous purple glue sticks, 1 pair of kid scissors, 3 different colors of highlighters, 1 black large and 1 black small dry erase markers, and 1 packet of markers.
2. 2 large bottles of hand sanitizer (we use sanitizer several times per day).
3. 3 boxes of unopened tissue boxes (we go through a lot of them).

Thank you for helping make our school year amazing!
