DreamBox

We use a program called **Clever** to add the student's names to DreamBox. The first step in getting in to DreamBox is to login to Clever.

Accessing Clever from Home

Clever is a portal for students to login to online programs your child's classroom teacher may be using.

The directions to login at home are as follows:

Note: Students will need their student ID and password used to login to the computer at school in order to login to Clever

STEP 1: Navigate to the district website. www.washoeschools.net

STEP 2: Click on the Students and Parents tab

STEP 3: Click on Clever Log In

STEP 4: Click "Log in with Active Directory"

Tips for Home Usage:

1. Allow for 15 to 20 minute sessions throughout the week.
2. Encourage completion of every lesson that is started. Mistakes are OK.
Your child should not shy away from incorrect answers, as they help find the right lesson to build learning progress.
3. We know it's difficult, but please resist the urge to help with answers so that
