

Haley Pinkston
Teacher

Hello Westergard students and families!

I am very excited to be part of the Wildcats as a 3rd grade teacher. My career in education began while I was in college and would come home for winter break to work as a snowboard instructor at a local ski resort. I graduated from the University of California, Santa Barbara with a Bachelor of Arts Degree in Environmental Studies. After graduation, I moved to Reno to be closer to home and found a job as an outdoor educator where I would bring students on field trips to Tahoe and other beautiful locations around the Reno area. Soon after, I decided to go back to school at the University of Nevada, Reno where I earned my Masters of Elementary Education. During my time working for the Washoe County School District, I started out as an Intervention teacher for a middle school, then switched to elementary where I was hired as a 3rd grade teacher and now, I am excited to continue that role in 3rd grade.

While I am not at school, you will most likely find me doing any number of outdoor activities with my husband, two kids, and our dog. We enjoy skiing and snowboarding during the winter and camping and spending time at the lake during the summer.

I am looking forward to getting to know all of you and having an amazing year with our 3rd grade family. Please do not hesitate to contact me with any questions.
