

Jenell (Jenny) McNeely  
Kindergarten

Hello wildcat families! I have lived in the Reno/Sparks area since middle school, and I love living so close to the mountains, Lake Tahoe, and California where I often visit family. I graduated from the University of Nevada, Reno in 2008 with my Bachelor of Science in Elementary Education and in 2017 I received my Master of Science degree in Elementary Education with an emphasis on STEM (science, technology, engineering, and mathematics) from UNR. I have been teaching in the Washoe County School district since 2008, and all those years, except for one, I have been in kindergarten!

My husband and I were married in 2019 and love raising our blended family together! We have three boys, PJ, Ethan, and Liam. Ethan and Liam are also part of the Wildcat family. As a family we love to go on adventures; hiking, camping, houseboating and traveling. I love curling up and reading a good book, scrapbooking our family memories, and spending time with good friends. My heart has always been with teaching since I was in kindergarten, and I am very excited to continue my passion for learning and building relationships with families here at Westergard!

Feel free to contact me, I would love to hear from you! I am looking forward to a wonderful year!!

Mrs. McNeely
