

Kelly Hawes  
Teacher

I love teaching second grade at Westergard. Each year I look forward to getting to meet a new class of students and their awesome families. Here is a little information so you can get to know me. I look forward to meeting you.

I graduated with my bachelor's degree from San Diego State University in 2000, my teaching credential in 2001, and my master's degree in educational administration from Chapman University in 2004. I started teaching in 2001 and have taught 1st, 2nd, 3rd, and 5th grade.

I love to travel and a few of my favorite places have been Australia, England, and Kenya. I hiked 11 miles to the top of Mt. Whitney and caught red salmon in the rivers of Alaska. My family and I call Truckee our home. We love to hike, fish, and play games with our two boys. I also love to read and relax watching a few of my favorite tv shows. Ever since I was a little girl, I have always wanted to be a teacher. I feel blessed to have made this my profession. Please feel free to email me with any questions or concerns you may have. I know it is going to be a great year!
