Is This You?

Camp FunDome is the "best job in town"! Our staff gets paid to have a ton of fun with kids each day. The best staff members at Camp FunDome have the following characteristics:

- Enjoy working with kids!
- Extremely responsible
- Make good decisions
- Friendly and fun to be around
- Athletic
- Energetic
- Knowledgeable about sports
- Take pride in their work

Year-Round Opportunities

Camp FunDome offers year-round opportunities for work. Camp FunDome will be open on just about every free day in the Washoe County School Calender. We do not expect staff members to work every day that camp is running. Rather we expect staff members to diligently keep us updated on their availability. We will then work with all staff members to find a customized schedule where they can work at Camp FunDome around other commitments that they might have (vacations, club sports, etc.) over the course of a year.

Camp Sessions

Camp FunDome will offer camp in sessions on free days in the Washoe County School Calender. Sessions will range in length. Week-long sessions will be offered over the summer, Spring Break, and Fall Break. Single-day sessions will be offered for holidays, teacher development days, and other special situations. 2-day, 3-day, and 4-day sessions will occasionally be offered as well. ***Staff members are expected to work all days in any session that they commit to.***

Daily Hours

Regular staff hours cover the full duration of the camp day from 8:45 am – 3:15 pm (6.5 Hr).

MorningCare & AfterCare Options

Additional work is available for either MorningCare or AfterCare. Hours for these options are:

- MorningCare: 8:00 am – 8:45 am (0.75 Hr)
- AfterCare: 3:15 pm – 5:00 pm (1.75 Hr)

Priority for both MorningCare and AfterCare is based on age (older staff members get priority on these opportunities). Ideally staff members will commit to either option for the full duration of the session that they are working in (however, customized schedules are sometimes worked out).

Staff Eligibility

Staff eligibility is determined by both age and grade as follows:

1. A candidate must be 15 years to be eligible.
2. A candidate must complete 8th grade to be eligible.

Both conditions listed above are requirements (without exception). There is no upper limit on age (typically the staff will range in age from 16 – 21).

Staff Pay

Staff pay is determined by grade without exception. All staff members will be paid based on the grade that they are in as follows:

2024 Staff Pay Table			
Grade	Approx Age	Role	Pay
9 HS	15	Counselor	\$12.00 per hour
10 HS	16	Counselor	\$12.50 per hour
