## Non-school Instrument Information

No student at Depoali has ever had their instrument lost or stolen or been in an ownership dispute but Ms. Karl has heard stories of this issues happening in other places and would like to be prepared in case something happens in the future. Ms. Karl will keep this information on file for the school year to be used to recover your instrument if it is lost, stolen, or if there is an ownership dispute.

Ms. Karl will provide everyone with name labels for your case, instrument, and bow. However, it is YOUR responsibility to make sure ALL other supplies are CLEARLY labeled with your first and last name (rosin, shoulder rest, tuner, etc.).
