Lancer PRIDE is going viral! Follow @ourlancerpride and @mcq_leadership for important news and updates, and chronicles of Lancer life and PRIDE at McQueen! See you in the Twittersphere! Also, don't forget to check the school website at www.washoeschools.net/mcqueen for news, policies and other important school information.

You must have an off-campus pass to leave school. You must get a pass from the office to leave school for appointments or if you are sick. The only exception is during lunch. You may not just walk off campus; you must have parental permission and a pass to leave campus. If you get sick during the school day, you should go to the health office. Please do not just go home!

Personal Property on Campus--A reminder, Washoe County School District and McQueen High School are not responsible for items brought to campus that are lost or stolen. To prevent loss of property, please remember to keep valuable items and money either securely locked, or even safer, leave them at home. If you lose anything at school alert SRO right away. Otherwise, keep it secure or at home!

Lancers, please be good neighbors! Do not walk through or eat lunch in the neighborhood just south of McQueen (Northgate Village). This neighborhood is private property. Please use Robb Drive as your route to go to lunch and afterschool. Please be respectful of our community and show your Lancer Pride, bring litter to the garbage cans on campus and do not leave litter in along Robb Drive.

Restricted Access during School Hours--An important reminder: For safety reasons students cannot have access to any areas of the football field or other athletic fields, gyms, and facilities during school hours, including lunch. Please always remain out of these areas. Thank you.

Lancers: It is the belief of the Washoe county school district staff and police our Safety is everyone's responsibility. If you see something Say Something! If you want to report, you can contact secret witness at 329-6666 or text to 274637. Enter tip725 + your message. Sometimes there are cash rewards available.

Students: You are not allowed to eat in class during instructional time. If you bring back your lunch after lunch time, you will be asked to dispose of it. You have 40 minutes for lunch. Please do not go places that will take longer than 40 minutes to get your lunch and eat it. Class time is not the time to eat.

Students, just a reminder that if you are not feeling well and need to go to the Health Office, you MUST get a pass from your teacher. If it is during passing, please report to your next class and ask your teacher for pass.

Students, just a reminder: earbuds and cell phones must be off and put away during class time, including going to the restroom.

Mask reminder. Washoe County School District protocol for wearing a mask is for anyone 10 years and older while you are in any school building a mask must be worn correctly above the nose and below the mouth. Masks may be taken off outside and when you are eating and drinking.

For all things McQueen that you need to know go to the McQueen high school web site. You will find things like coaches' information, counseling info and how to schedule an appointment to see your counselor, announcements, DMV certificate of attendance and many more things!

For the DMV Certification for attendance for your license or permit, it is now on-line with the district. Go to the McQueen High school web page and click on the link under quick links. We **CANNOT** fill this out at the school. We will send you to the web link. The certificate once received from the district is good for 60 days.

REMEMBER ATTENDANCE COUNTS!!!!!!!!

Complete your attendance form for every class, everyday!!!! Students: Your attendance matters. Please make sure you are completing your attendance form every day for each class. This is important for many reasons. An example is the

Students- Reminders to keep us all healthy:

- Please wear your mask at all times on campus and it must be properly worn over your nose.
- Keep 6 feet of distance from others in class and in the halls.
- At lunch you can take your mask off to eat and then it should be put back on. When sitting with others, you should be 6 feet apart.
- We highly discourage students from going to lunch together. If you are in a car with others, everyone should be wearing a mask.
- Do not share food or drink with others.

With the colder weather, students can eat in the building, but must follow the guidelines. Thank you for following the protocols to help keep us all safe! Please remember there are some one-way halls and you need to follow the directions.

Cell phones, ear buds and other technology must be turned off and put away during all instructional time. This includes going on a hall pass, waiting to meet with a counselor or during off campus periods.

Students parking passes are **required** and can be obtained at the bookkeeper's office for five dollars.

If you paid your activity fee and it is not marked on your ID, please come by the office with your receipt and we will reprint your ID for you.

Remember if you lose an item that you can check at the office to see if it has been turned in.

News from the Cafeteria:
