### 2025 CLAYTON COLOR RUN

### EOY Special Schedules and Personal Items

We will be running special schedules Wednesday through Friday of next week. All final exams will conclude by Wednesday 6/4. Students are not permitted to bring backpacks or personal belongings to school on Thursday or Friday. Students can bring a lunch on Thursday, but will not need anything else. Students who bring personal items, including backpacks to school on Thursday/Friday will be asked to check them into with the main office and will be able to pick them up at the end of the day.

### [Yearbook Distribution and Sales](#)

We are excited to welcome the end of the school year with our yearbook distribution! Yearbooks for those who pre-ordered them are being delivered Monday, June 1.

There are still plenty of yearbooks available to purchase! Students can purchase them in the office for \$25. Don't miss out on the memories.

### Family Access to iReady Diagnostic Results

We are in the process of completing the third iReady diagnostic test (in both reading and math) this school year. Students are working hard and showing great progress (see whole school data point below). As you know, we will use this information to schedule Enrichment, Extra Support, and Intervention classes based on individual student needs. These classes take place during the last hour on our Thursday/Friday block days.

Families are now able to see student results. More information is available in this document. You can get started here:

#### How can my student and I access my student's results?

1. ---**With your student, have your student log in to their *i-Ready* Dashboard** using their district [Clever Login](#)
2. **Click on the For Families dropdown and select the For Families report.**
3. **Enter Washoe County School District's code: LTVNST.**

For more information and support, visit the [i-Ready Family Center: Understanding Diagnostic Results](#).

**How should I interpret my student's results?**

**How is my student doing overall?**  
 The goal is for your student to achieve performance levels that meet or exceed the expectations set for their grade level.

On the For Families report, the **A** blue bar(s) on the graph and the corresponding **A** placement level(s) indicate how your student performed on each test in relation to their grade level, which is indicated by the **B** green shading. The **C** National Norm percentile below the graph indicates how your student performed in relation to students in the same grade level nationwide.

**How is my student doing in specific learning areas?**  
 It is important to understand how your student did in more specific learning areas, which are called domains. The **D** domain table shows how your student did in specific domains and helps teachers know where to build on strengths and focus their instructional support.

**How is my student progressing over time?**  
 The goal is for your student to be making progress in their learning. After your student has taken more than one Diagnostic in the school year, you will see results for each Diagnostic, which includes your student's progress overall and within each domain.

**How can I support my student at home? **F** Additional Suggestions**  
 Celebrate your student's strengths and progress so they can feel motivated and ready to work on their goals. Contact your student's teacher for additional insight into their progress and to get resources that can support your student's learning at home.

## Summer Hours and Orientation

### Summer Hours

Summer office hours are Monday through Thursday from 9:00am to 2:00pm. Closed every Friday throughout the summer.

The office will be closed: June 30th through July 14th.

### Orientation

Student Orientation Days will be held on July 29th and 30th. We welcome you to come get oriented to Clayton for the 25-26 School Year. Families will be able to pay for fees and access community resources and students will be able to receive schedules and information about the upcoming school year. We hope to see you there.

## Online Registration and Scheduling

We are nearing 100% of our enrolled students with updated [registrations](#) for the coming school year. We encourage you to complete your [online registration today](#). We are planning for next year and your updated registration helps us include your child in our plans. Our feeder high schools schedule course requests for students that have completed the [online registration](#) process.

We have collected our students' course preference forms and students with online registration completed will be the first course preferences processed.

If you need assistance with online registration or access to Infinite Campus, please reach out and call our office at 775-746-5860.

## Community Connectedness Information and Events

### Student Connection

#### **Last Week of School Spirit Week**

We will be having an end of the year spirit week. Students who choose to participate should comply with all WCSD dress code standards. Any student choosing not to participate should come to school in approved Clayton Dress Code.

- Monday: Movie Day-Dress like your favorite movie character.
- Tuesday: Topsy Turvey Day-Students dress like their teachers, teachers dress like their students.
- Wednesday: Twin Day-Pick a friend and dress like twins.
- Thursday: Hawaiian Shirt Day-Break out the flip flops and Hawaiian shirts. Lei's are allowed but no sunglasses or coconut bras.
- Friday: Color Run-Students will be provided a white shirt that they will wear for the Color Run. We encourage hats this day as we will spend most of the day outside.
