

Course Selection 2025 – 2026

Sophomores - Class of 2027

FACTS

- All juniors must be enrolled in seven classes
- The only way for a junior to be given an “off-campus,” is if you are enrolled in a 0 period or in an approved course outside of SSHS.
- If you need your infinite campus username and password reset, please see one of the secretaries on campus.

Human Anatomy and Physiology 1-2

Course #3261-3262

Full Year = 1 credit (Honors)

➔ **Prerequisites:** Successful completion of Biology 1-2 and Chemistry 1-2 and successful completion of Algebra 1 and Geometry.

Fee: \$25.00 lab fee ←

- Read Course Descriptions to know what you are learning!

This one-year advanced level course is intended as a 3rd year science course and will cover an introduction to the structural and functional aspects of the human body. This course is for those students interested in medical fields or biological science. The course is designed to cover the structure and function of cells, tissues, organs, and an in-depth look at body systems. Demonstrations and laboratory experience, including **mandatory dissections (including cats)** are an integral part of the teaching of this course.

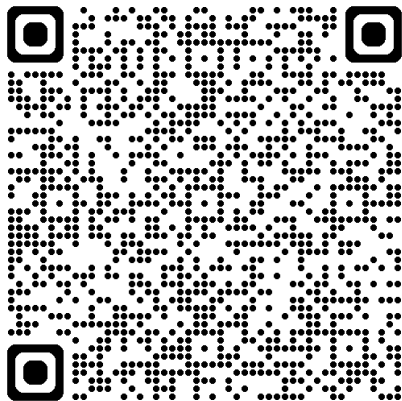

Upon successful completion of Human Anatomy and Physiology, students will develop: 1) an understanding of the methods and techniques used to study the human body; 2) knowledge of the structure of all systems in the body; 3) an understanding of the functions of all the systems of the human body; 4) an understanding of the role of each body system in maintaining the homeostatic balance of the human body; 5) an awareness of relevant pathologies associated with human body systems; and 6) an awareness of the professional opportunities and requirements in the health sciences and related fields. **NOTE: This class may be offered Zero period based upon enrollment numbers. The course numbers for students interested in Zero period are 3013-3014.**

Internship Opportunities

- An internship is a work-based learning experience that places the student in a real workplace environment to develop and practice career-related knowledge and skills for a specific career field related to the student's career interests, abilities, and goals.
- WCSD is proud to offer ALL students an opportunity to engage with local businesses to learn about career opportunities, understand job skills and expectations, and develop a network of resources to assist students with success after graduation.

For more information on what internships may be available please visit: <https://www.washoeschools.net/Page/8764>

Dual Credit

- Dual Credit allows high school students to enroll in college courses at a discounted rate. Students/families are responsible for paying fees through the college and purchasing necessary books. Financial assistance may be available through the college but is not guaranteed.
- Dual Credit classes provide a .05 bonus to their GPA & counts towards honors credits for the Honors Diploma
- Students enrolled in these courses are considered college students. This means:
 - Students has access to college offered student support services
 - Parents/Guardians will not be able to communicate with faculty.
 - SSHS counselors and Parents/Guardians will not have access to attendance, grades, etc. for college instructor courses.
- Credits:
 - Courses worth 3-5 credits at TMCC/UNR = 1 high school credit
 - Courses worth 1-2 credits at TMCC/UNR = .5 high school credit

Dual Credit

Admission Criteria:

- Students must show capability to take a college course
- Students must have a 3.0 GPA AND Bs in all previous semesters of specific content area
- Students must meet all college set prerequisites
 - See TMCC/UNR course descriptions

Steps to Enroll:

- Discuss plans with SSHS Counselor
- Apply as a Non-degree seeking student (if first time taking a dual credit course @ that college)
- Complete Permission to Enroll form or other required procedures

Fees:

- \$87.50/credit + additional fees – taken with TMCC Instructor
- \$154/credit + additional fees – taken with UNR Instructor
- Fees for Dual Credit courses taken with an SSHS teacher are paid for by WCSD for the 25-26 school year
- Fees subject to change, prices not guaranteed
- Most college courses are 3 credits

Dual Credit Classes may count towards a student's academic load or be taken for additional credits

Changing Classes after Course Selection

Please note that courses selected during course selection must receive careful consideration. **The classes that you select now will most likely be your schedule for next year.** Changes may only be made to your schedule after the start of the year IF:

- The student has been placed into the wrong level of a subject.
- The student has already received credit for the course.
- The student must drop an elective in order to take a required course for graduation.
- The student has an incomplete or over-filled schedule

***** ALL COURSE CHANGES MUST BE MADE PRIOR TO THE END OF THE CURRENT SCHOOL YEAR BY SEEING YOUR COUNSELOR.**

Please...

- Do not come down to the counseling office and sign up to see your counselor about course selection.
- Ask your parents to refrain from calling us and scheduling an appointment prior to your course selection time.
 - We will meet with each student individually and we will answer all your questions when we meet (feel free to make a list of questions you and your parents have and we will answer them).

Please look at the SSHS Counseling Website for many answers to your questions:
