These are the schedules that we run regularly. In addition to these regular schedules, we plan special schedules including Two-Hour Delay, Testing and Assembly. Detailed information about our schedules is available online.

## Are you ready for school? Your appearance lets us know.

Our uniform policy promotes a safe, respectful, and healthy school environment that is focused on learning. The first step to your success in the classroom is to show your ready-to-learn attitude by choosing to make clothing choices that support your learning and the learning of others. Below are guidelines to help clarify our expectations here at school. These are our minimum expectations. You can always wear more, please don't show up wearing less. Our complete uniform policy is on our website- *refer to the link library in the handbook section of this planner.*

*Tops: Shirt with a crew neck or collar.*

## Other important details

**Main Layer (tops):** The Uniform shirt with or without the Clayton logo. This is required at all times.

**Main Layer (bottoms):** Pants, jeans, skirts/skorts, shorts in solid colors. No patterns or pajamas.

**Underlayer:** Items worn below the shirt. Should be solid and comply with our colors. This is optional.

**Outer Layer:** Sweatshirts, long-sleeved pullovers. Should be solid and comply with our colors. Uniform shirt still required since outer layers can be removed.

**Footwear:** Shoes should be safe and stable. If shoes are sandals, they must have a heel strap. Slippers may not be worn at school.

**Outer Wear:** Jackets and coats. Generally these are removed in all indoor learning spaces. Colors and styles of outerwear (jackets and coats) are not required to meet the color/style specifications outlined above. Uniform shirt still required since outer layers can be removed.

## Social-Emotional Learning (SEL) Resources

We support our students' understanding of the range of emotions they experience. We help to develop this knowledge in our students to support self-awareness, emotional regulation skills, positive school connections and increased academic performance. Below is an example of a mood meter to help students express their emotions with a variety of descriptive words.

ENRAGED	PACNICKED	STRESSED	JITTERY	SHOCKED	Pleasantness	SURPRISED	UPBEAT	FESTIVE	EXHILERATED	ECSTATIC
LIVID	FURIOUS	FRUSTRATED	TENSE	STUNNED		HYPER	CHEERFULL	MOTIVATED	INSPIRED	ELATED

DESPAIR	HOPELESS	DESOLATE	SPENT	DRAINED		SLEEPY	COMPLACENT	TRAQUIL	COZY	SERENE

RULER is a process for helping students systematically promote social and emotional competence. It provides opportunities for students to practice Recognizing, Understanding, Labeling, Expressing and ultimately Regulating their emotions. When working with our students we may ask them to follow the RULER process.

## Be Thoughtful: Think before you speak.

The phrase “think before you speak” refers to the practice of considering your words before you say something or respond to another person’s comments. When you think before speaking, you take into consideration that our words impact others’ feelings.

Thinking before speaking can help you to:

- **Avoid embarrassment.** Speaking before you think often leads to saying the wrong thing at the wrong time which can have a negative effect on relationships or social situations.
- **Consider other people’s feelings.** It’s true that words have power. Kind words can uplift people’s emotions, while harsh or ill-considered words can undermine others’ self-esteem and trust.
- **Mitigate stress.** Speaking without thinking puts students in stressful situations.

**Tips to Think Before You Speak:** Consider these tips to help you slow down during conversations:

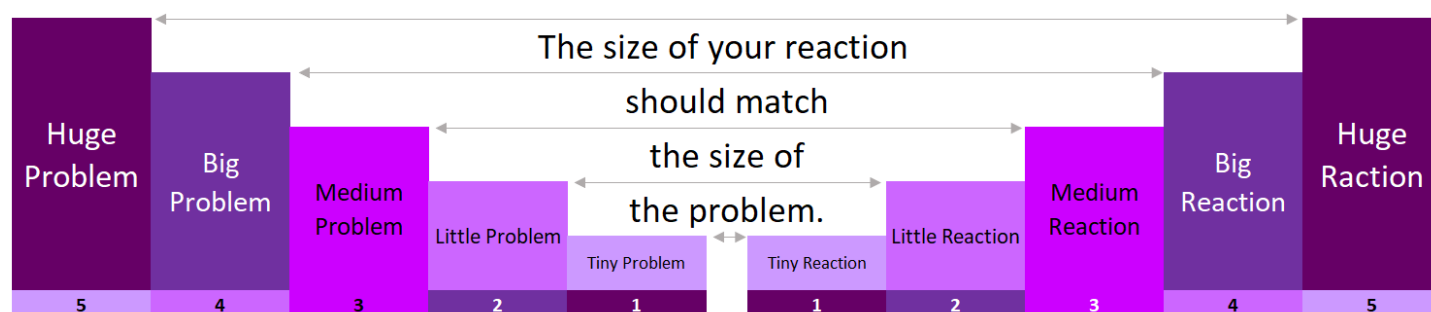

1. **Practice awareness.** Admitting you often speak before thinking is a form of self-awareness and the first step toward improvement. Additionally, practice active listening skills. Notice the other person’s posture, tone of voice, and mood.
2. **Try taking a breath.** To get in the habit of pausing before you speak. Practice taking a few breaths before you start to talk. While you are breathing, you are naturally pausing the conversation and giving yourself time to weigh your response.
3. **Use the THINK acronym.** The THINK technique encourages you to choose your words with care. “THINK” stands for “true, helpful, inspiring, necessary, and kind.” Before speaking, ask yourself if what you’re about to say aligns with each of those qualities. If your answer is “yes” to all five questions, then your thought is worth sharing.

## Regulate yourself: Match your reaction to the problem.

Help regulate yourself. Match your reaction with the size of the problem. Notice your reaction to a problem, take a breath and check to see if your reaction matches the size of the problem. Often, problems are not as big as they feel at first. Managing yourself will help you move out of problem-reacting mode and into problem-solving mode.

Campus passes are intended to provide students the opportunity to plan and prioritize personal or campus needs during class time. Students have opportunities to take care of personal needs between classes during passing time and/or lunch. Once students are expected to be in class, we would like the priority to be on the directions, instruction, or process of learning activities in the classroom. If needs arise during class time, students can ask and get permission to write a Campus Pass. Guidelines for passes include:

- Passes are granted to students in good standing and in uniform. Students can be placed on the Admin-No-Pass List temporarily for abuse of passes, tardies or other issues deemed appropriate by school administration. This is done only after (1) communication with parents/families and (2) the student is provided with the opportunity to correct the issue.
- Passes are not granted the first nor the last 10 minutes of class due to the proximity to passing time. It is also essential for us to have all students participate in and attend to the instructions, assignments, and activities at the beginning and end of class.
- It is assumed that students who arrive late to class have already taken care of personal needs and will not be granted a pass for that class period.
- Passes will not be written for other classrooms when classes are in session. Students need to plan another time besides class time to check-in with a teacher.
- Please limit Health Office visits to three times per week unless an Emergency Action Plan is on record.

Working with our Student Council, we have an additional "FLEX PASS." Use of these passes is up to the discretion of the teacher in the classroom for emergency situations and other special circumstances.

## Student Handbook Quick-Reference

This handbook quick-reference highlights important components of our school and district student handbooks. This includes guidelines, policies, procedures and regulations that are frequently reviewed throughout our Cub Community. The topics are highlights. In most cases more complete information on these topics is maintained online. Both Clayton and WCSD handbook topics are updated on occasion and the complete, official version of our handbook is compiled and linked online. Visit [www.washoeschools.net/Page/18199](http://www.washoeschools.net/Page/18199) or point your phone's camera at the QR code provided here.

For access to other online information about our school, refer to our Link Library in the next section.

## Clayton-Specific Topics

**Absences & Make-Up Work** – We ask that our office be informed each time a student is going to be absent from school. Families can report absences through Infinite Campus online, the Infinite Campus app or by calling the office at 775-746-5860 (select Option 1). It is the responsibility of the student to request make-up work from their teachers when they return to school after an absence. Teachers must provide make-up work for concepts missed by the student within two days of the student returning to class after an absence. Students have the number of days absent plus one day to complete the work. Check the Make-Up Work page on our website for resources.

**Arrival & Dismissal** – For student safety, we ask that students arrive no earlier than 7:10am and exit campus within the first ten minutes following the final bell. The front doors to the North Courtyard open at 7:10am. Students are supervised in the North Courtyard and Cafeteria until the first bell rings at 7:25am. If students are dropped off or picked up by vehicles, we ask that personal vehicles avoid the main parking lots between 7:00-7:30am and 1:30-2:30pm. During this time, student drop-off and pick-up is available on the two side streets adjacent to the school. The lower parking lot is available for student drop-off, pick-up and visitor parking during all other times. We ask that the front of the school be reserved for buses and emergency vehicles during school hours. Visit our website for a map of pick-up and drop-off map.

**Awards & Incentives** – We identify and teach expected and pro-social behavior that promotes academic and social-emotional success at Clayton Middle School. The skills that we teach and reinforce build positive habits that benefit students in middle school and beyond. As part of our Positive Behavior Intervention and Supports program, we provide awards, incentives and celebrations for students that meet or show progress toward our academic and individual goals. Awards relate to academic progress and effort, overall GPA and demonstration of our Cub Core 4. A list of awards can be found on our website. Incentives include community events like dances, after-school activities and Cub Bucks (to purchase items in our student store). Students in good standing are invited to participate in these activities.

**Basketballs, Soccer Balls and Other Equipment** – Students who bring sports equipment to use at lunch need to check the equipment in at the Cub Den (B101) before school. Students can check-in at the B-Hall door before entering the building. The equipment will be made available during lunch. This process makes sure that personal sports equipment does not create a distraction during class and passing periods.

**Bicycles, Scooters & Skateboards** – Students riding personal bicycles, scooters, and skateboards (electric and student-powered) are asked to follow the rules of road and pedestrian safety. This includes riding in designated areas and watching out for people and vehicles. All sidewalks on campus are for walking. Students with wheeled personal transportation are required to walk their equipment while on campus. Bike racks are provided for secure storage and smaller items may be placed in the green equipment boxes at the front of the school. Clayton is not responsible for lost or stolen items.

**Cub Core 4 (PBIS)** – Our Clayton Cub Core 4 is our way to clearly communicate and teach how we operate and expect others to operate at our school. It is the foundational element of our Positive Behavior Interventions and Supports (PBIS) system. At our school we value **Integrity, Responsibility, Engagement** and **Empathy**. When following our Cub Core 4, students will be able to say:

- “I demonstrate integrity by doing what is expected through my words and actions.”
- “I demonstrate responsibility by being accountable for my behavior.”
- “I demonstrate engagement by actively demonstrating the expectations of my environment.”
- “I demonstrate empathy by understanding others’ emotions, perspectives, and experiences.”

Our Cub Core 4 Matrix identifies our expected behaviors in all areas including in Classrooms, on Athletic Fields and in the Gymnasium, in Hallways and Common Areas, in the Cafeteria, in the Restrooms, at Arrival and Dismissal, and at On/Off-Campus Events. The Cub Core 4 Matrix is provided online and, in this planner, (p.2).

**Electronic Devices** – We have updated this policy. Students may have cell phones, smart watches, tablets, and other electronic devices on campus. Our policy is intended to promote focus and engagement in our academic activities while at school and limit interference with student learning. Our process is outlined below:

1. Students will turn their phones to “off” or “silent” and place them in their backpack or zipper binder. Phones are to remain untouched and in students’ backpacks or zipper binder for the entire class period. (Phones are not to be placed on desks, stored in pockets or anywhere that is immediately accessible; phones in pockets are considered accessible and a distraction during class time.)
2. Teacher will use the Clayton Remind Cycle when phones are observed out during class time. Teacher will remind student of the policy and provide two productive choices:
  - a. Turn off the phone or personal device and place it in the student’s backpack or zipper binder.
  - b. Turn off the phone or personal device and place it in the classroom lock box (and returned at the end of the class period).
3. Students will be provided with many opportunities to make the productive choice to follow this procedure. If teacher reminders become chronic, teachers will submit a Behavior Minor under the title of technology violation.
4. An administrative designee will run the report weekly. Students with a technology violation minor will serve a focused detention and agree to enhanced expectations.
5. Progressive steps for future minor infractions include:
  - a. Parent conference
  - b. Development of a technology plan
  - c. After school detention
  - d. In-school suspension

**IDs** – Students should always have their ID cards. The ID card is used for entry to the building when late to school and required on WCSD buses. IDs are also used for access to use earned Super Cub privileges, extracurricular activities, sporting events, library materials and lunch equipment. Replacement IDs are available for purchase in the front office. We recommend students take a picture of their student ID with their phone as a back-up.

**Lockers** – Students are not assigned lockers. We encourage the use of zip binders to transport belongings between classes. Backpacks are not necessary to transport materials to and from school and between classes. If a backpack becomes a distraction or used to continually bring items that distract from the learning environment, students will be required to use a zip binder.

**Student Expectations** –We identified six key behaviors that set students up for success. These are behaviors that students can demonstrate every day to help them be successful:

1. Be on time for class.
2. Have a ready-to-learn attitude with all materials for class.

3. Use this planner to organize work and facilitate learning in all classrooms.
4. Be an active learner: Participate fully, complete work and contribute to moving learning forward.
5. Use language and communicate at a volume expected for the classroom.
6. Complete all assignments and homework.

Student success can be measured by academic grades and assessments, work completed, student learning behavior grades and attendance.

Expectations for student behavior are included in our Cub Core 4 Matrix (p. 2). Behavior that impedes the learning environment, creates a disruption or that presents a danger to our campus is subject to the district's progressive discipline process. The complete behavior manual is posted in the WCSD Handbook Topics section of our website. Administration and staff at Clayton Middle School are dedicated to helping students understand the impact of their choices, learn from mistakes, and repair harm caused.

**Uniforms** – Our uniform policy promotes a safe, respectful, and healthy school environment that is focused on learning. The first step to your success in the classroom is to show your ready-to-learn attitude by choosing to make clothing choices that support your learning and the learning of others. Below are guidelines to help clarify our expectations here at school. These are our minimum expectations. You can always wear more, please don't show up wearing less. Details of our adopted uniform policy can be found online. Review page 4 for more information. When students are welcomed at the door, we check for:

- **Main Layer (tops):** The uniform shirt (collared or crew neck; with or without the Clayton logo). Solid color (Black, hunter green or white). This is required at all times.
- **Main Layer (bottoms):** Pants, jeans, skirts/skorts, shorts in solid colors. No patterns or pajamas.
- **Underlayer:** Items worn below the shirt. Should be solid and comply with our colors. This is optional.
- **Outer Layer:** Sweatshirts, long-sleeved pullovers. Should be solid and comply with our colors. Uniform shirt is still required since outer layers can be removed.
- **Outer Wear:** Jackets and coats. Generally, these are removed in all indoor learning spaces. Colors and styles of outerwear (jackets and coats) are not required to meet the color/style specifications outlined above. A uniform shirt is still required since outer layers can be removed.
- Additional requirements:
  - o **Footwear:** Shoes should be safe and stable. If shoes are sandals, they must have a heel strap. Slippers may not be worn at school.

Students found out of dress code will be asked to correct the issue before entering the building upon arrival in the morning. They are expected to maintain the uniform throughout the day. Loaners are available to assist students meet the uniform requirements. Families will be contacted if uniform issues cannot be corrected at school or if there is a consistent issue with following our uniform policy. We seek to find a proactive, positive solution to uniform issues and will follow steps outlined online if students do not consistently follow the expectation to be in uniform daily.

## WCSD-Specific Topics

**Dress Code** – The student dress code shall be in effect on District property, to include on District transportation, when school is in session, and when representing a school or the district as a participant at a District sanctioned activity. This dress code provides additional information about the fit and fashion of school-appropriate dress. This policy is used with our school uniform policy noted above.

**Release of Students During School Hours** – Students are not to be released from school at the request of any person other than the parent(s) or guardian(s) with whom they are living as shown on the

enrollment card, except for law enforcement officers as described in the online policy. *Please plan ahead when picking up a student from school. Release may be delayed if requested during lunch times or within the last fifteen (15) minutes of the school day.* Refer to our school bell schedules for our lunch and daily release times.

**Responsible Use of Technology** –District technology and digital media must be used safely, responsibly, and ethically at all times. For increased security, each student will receive a personalized password that they are encouraged to keep private. The online district policy outlines appropriate and prohibited uses of district technology and public networks.

**Safe & Respectful Learning Environment** – Together we can make Clayton Middle School a safe and respectful learning environment for all. We address all instances of bullying, harassment and/or discrimination and commit to promptly investigate accusations and implement remedies and interventions. The procedures for responding to complaints and concerns regarding bullying, harassment and/or discrimination are included with the WCSD Handbook Topics in our online handbook.

**Transportation** –You are able to find your school bus stop and route information through our website (click on Our School Information). **Students are required to check on and off the bus with their student ID.** It is recommended that students take a picture of their student ID with their phone as a back-up. Please note that riding the bus is a privilege and not a right. Students receiving a transportation citation will be given an opportunity to correct the behavior in question. Disorderly or rude conduct can be subject to suspension of this privilege. If damage is incurred because of student behavior on the bus, damages will be billed to the family and must be paid before transportation privileges are reinstated. Conduct on the bus will be communicated to families and may require a meeting with school administration. If a student receives a transportation suspension, it is not a suspension from school. The burden of transportation falls on the family to get the students to school each day. Please review the complete policy online.

## Campus Programs & Services

**Athletics** – We offer an interscholastic sports program for our 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> grade students. To be eligible, a student must maintain a 2.5 grade point average, with no failing grades and good citizenship. The following sports are offered:

- Cross Country (Boys and Girls)
- Girls Basketball
- Boys Basketball
- Girls Volleyball
- Wrestling (Boys and Girls)
- Soccer (Boys and Girls)
- Track (Boys and Girls)

### Our Athletics Program

#### General Information

Clayton Middle School offers a wide range of athletic events, including Clayton athletics teams, physical education classes and intramural programs. Plan ahead to try-out for one of our school teams, review our [Sports Schedule](#). Follow [this link](#) for additional information about [WCSD Athletics](#).

#### Athletic Paperwork & Fees

All middle school students participating in a sport will be required to complete the [Middle School Athletic and Athletic Support Group Clearance Form](#). Athletes are also required to pay a [transportation fee](#) of \$10 per athlete, per year, regardless of the number of sports the student participates in that year.

These fees offset not only the cost of local travel, but state travel outside our area. Costs for travel have steadily increased. And it is our goal to maintain a high level of service to our students. If you have any questions regarding these fees, please call the Student Activities and Athletics Department at 775-353-6901.

For more information, visit Our Athletics Program page on Clayton's website.

**Counselors** - Clayton is fortunate to have three school counselors. If you would like to see your counselor, you may make an appointment by filling out an appointment pass outside the counselor's office. Students must have a pass from the teacher or counselor to go to the counselor's office. Drop-ins are not accepted. Please plan ahead and request a pass if you need to speak to a counselor.

**Health Office** - The health office is located by the main office. Students enter through B Hall for any and all health issues and should have a pass. Parents will be contacted by the clinic aide and/or school nurse. Students should limit Health Office visits to a maximum of three per week unless they have a specific Emergency Action Plan on file with the clinical aide/nurse.

**Library/Makers Space** - The library serves as a great resource. Students will learn valuable skills in reading, writing, research, online tools, and digital citizenship.

- **GUIDELINES:** Students must follow our Cub Core 4 Expectations for the Library/Makers Space.
  - o Students using the library during the school day must have a pass from their teacher, unless the class comes to the library as a group.
  - o Students that would like to access the Makers Space during lunch need to meet the librarian at the beginning of the lunch period outside of the Café. Once students transition to the Makers Space, they must remain there the duration of the lunch period. Unless escorted out of the Library to another designated lunch space (Café or Backyard).
  - o Magazines and books may be checked out for two weeks and renewed as necessary. Library materials should be returned promptly.
  - o All lost and damaged library materials must be paid for in accordance with Nevada statutes. The cost of a lost library book depends upon the cost of replacement. If the identical book is no longer available, the librarian will replace the lost book or materials with something that is similar in type and content. Students will be charged the replacement cost of lost materials.

**Nutrition Services** – Breakfast and lunch are served daily. You can access menus and other information through the nutrition services website: <http://www.washoeschools.net/Page/1125> (also linked on our website under Our school Information).

- **BREAKFAST GUIDELINES:** Students may select breakfast items from 7:10 to 7:25. Student ID number is required for school meals. Limited items are available for students that arrive late to school between 7:25 and 7:40.
- **LUNCH GUIDELINES:** All students need to report to the Cafe promptly during their lunch period. Food service ends before the end of the lunch period, and we do not want students to miss lunch services. Students are welcome to bring meals from home.
  - o Students are asked to follow our Cub Core 4 Cafeteria expectations (please see our Matrix on p. 2).
  - o Students are not allowed in the courtyards or halls during lunch. If they have an appointment with a teacher, students need to meet the teacher at the beginning of the lunch period outside of the Café.
  - o Cutting in the lunch lines, saving places in line, or buying food for friends is not allowed. Keep your lunch pin/student identification number confidential.
  - o Students are not to order food from outside vendors/restaurants to be delivered to school at any time.
  - o Clayton is a closed campus. Students may not leave the campus at lunch unless checked-out by a parent/guardian in the office.
  - o Food served from the lunchroom is not allowed in the halls, the classrooms or on the outside grounds.
  - o Upon finishing lunch, all students are to go directly outside.

Students are dismissed to the exterior fields through the cafeteria. Once students have exited the Café, they will not be readmitted. No student will be allowed access to any other hall unless escorted by a staff member.

## Important Link Library

Below is a list of important links that offer more information about our school. Point your phone's camera at the QR code provided and you will be directed to a web resource about that topic. These resources are reviewed often and updated when necessary.

**Bell Schedule:** Access our bell schedules here. Please arrive at school no earlier than 7:10am. Our campus supervision begins at that time.

**Clayton Calendar:** Access our calendar of activities, events, and important dates. You can access WCSD school year calendars from this link or by visiting [washoeschools.net/Page/5436](https://washoeschools.net/Page/5436).

**Clayton Website:** This is our school website and includes everything related to our campus, policies, processes, procedures, and staff contacts. Access calendar, links, and updates here as well. We work hard to keep this website updated for you.

**Clever:** Students can access all our instructional programs through Clever. This includes Dreambox, Go Math, Lexia, and Paper Tutoring.

**Infinite Campus – Student/Parent:** Student and families can access assessment, assignments, attendance, grades, schedule and more information. Mobile app, tutorials and informational videos available at <https://www.washoeschools.net/page/928>.

**Microsoft Office 365:** Students can access all our Microsoft Instructional resources through Office 365. This includes apps like OneDrive, Excel, Word, PowerPoint, Teams and more. For login and additional information, visit [www.washoeschools.net/Domain/628](https://www.washoeschools.net/Domain/628).

**Safe Voice:** Students, parents, and faculty have access to SafeVoice, an anonymous reporting system used to report threats to safety or well-being of students. In partnership with the Nevada Department of Public safety, the SafeVoice program provides students a safe place to submit tips concerning their own safety or that of others. A fully trained professional team of experts responds 24/7/365. Call 1.833.216.SAFE (7233).
