*Aren't You Glad You Didn't Turn  
on The Lights?*

Two best friends Meg and  
Samantha, live in the same room of  
the college dormitory. Samantha  
goes out for a party with her date  
while Meg stays back to study for

the upcoming mid-term exams. When Samantha returns from the party, the lights are all turned off. She does not switch on the lights as her friend is asleep.

Early in the morning, Sam tries to wake Meg up to discuss the exams. As Meg doesn't respond, Sam hesitantly uncovers her face to wake her up. She is horrified to discover Meg's face turned black and blue and falls on the floor in a state of shock. She observes that Meg's study table was all messed up and finds a creepy note on the wall, "Aren't you glad you didn't turn on the lights?" The murderer must have very much been in the room when Sam came the previous night.

### *Mommy's Home*

A father is lying in bed after just waking up, he grabs the baby monitor and walks to his desk in his office at home, he has his baby on the baby monitor and hears his wife singing to her, he cracks a smile as he hears his wife "Go to sleep... go to sleep..." When suddenly the front door opens, and his wife comes in with groceries.

### *What is in the basement?*

Mommy told me never to go into the basement, but I wanted to see what was making that noise. It kind of sounded like a puppy, and I wanted to see the puppy, so I opened the basement door and tiptoed down a bit. I did not see a puppy, and then Mommy yanked me out of the basement and yelled at me. Mommy had never yelled at me before, and it made me sad, and I cried. Then Mommy told me never to go into the basement again, and she gave me a cookie. That made me feel better, so I didn't ask

her why the boy in the basement was making noises like a puppy, or why he had no hands or feet.

## How to NOT get scared in a haunted house.

by Zoe Richards

Everybody knows that people do not actually like haunted houses, they only like the feeling after. But the majority of people who enter a haunted house DON'T want to and only go cause:

1. They don't want to be wimps.

Or

2. They are doing it because their friends are.

Well, I am here to tell you that you don't need to be afraid in a haunted house because if you use these methods, you are SURE to make your experience only mildly frightening.

### Methods:

1. Fake it till you make it,

This method only works if you are brave enough, so stand tall, and hype yourself up, because you are gonna need it!

2. Fast walk,

This one is very effective, just walk through everything.... fast, very simple!

3. Circle group,

You will need to do this in advance before the haunted house, gather up a group of EIGHT friends then slowly throughout the night position yourself so you have TWO people on your sides at ALL TIMES! This way your friends will be the sacrifices as you stand guarded in the middle.

4. The Helen Keller

This one is probably the most effective, but you will need a friend that doesn't get scared and runs easily, then hook your arm in between theirs, close your eyes and use both your hands to cover your ears. Then let them guide you through, you are guaranteed a long but unfrightening night.

## 5. *The Joker*

This one all you need to do is walk in and make everything funny, relate everything to a joke, easy! Then you will be laughing and scared, so you'll laugh even more, and it'll be a grand old time!

If you use these fool-proof methods, you are guaranteed a great night! And if you feel you need all these methods for one night then you should not be into going to a haunted house in the first place. Have a Happy Halloween!

## **Haunted places in Incline**

by Zoe Richards

Ya know what is scarier than watching a scary movie or going to a haunted house? Actually, going to a HAUNTED place, a place where real people have died and come back to life, where doors close unexpectedly, candles blow out randomly, lights flicker, walls shake, and voices are heard coming from all around you. So here are the top 5 MOST haunted places in Incline.

### 1. *Cal Neva Lodge and Casino*

This hotel is known to house many spirits and ghosts, even some that are famous like Frank Sinatra, and Marilyn Monroe. In fact, you can visit the cabins in which Marilyn and Frank stayed!

### 2. *The Old elementary school*

Everyone knows about the old elementary school, and if you do not know, look it up because I have experienced first-hand the stuff that goes on there. I have seen old rituals, heard strange noises, and I SWEAR I saw a figure in the old hallway. Though before anything major happened, I ran out.

### 3. *The House on Betty Lane*

This story is from Mr. Vaughan, "Immediately after my kids and I moved into the house on Betty Lane, we heard strange noises. At first, I thought it was the kids making noise, but my kids also noticed it when they were home alone. Naturally, I dismissed it as the house "settling", but I came to learn that there was a previous owner who had committed suicide. So, I think it was the spirit of this woman who was just letting us know she was there. She seemed friendly!

### 4. *George Whittell's Estate*

George Whittell's Estate also known as the "Thunderbird Lodge" is known for its ghosts that roam the area, like an old worker there that fell off his ladder to his death. Though some are not as friendly, like the more chilling underground tunnel that leads to the boathouse. Visitors that have gone in those tunnels have been known to come out with scratches or bruises on their legs, in extreme cases they faint. Could this be a cause of ghosts.....or demons.

### 5. *Haunted Shores*

There is a legend that on the shores of the beaches there is a lady in white, In the 1800's she was supposed to get married and live

happily ever after, but when her groom never showed she became so deranged that she ended her own life by drowning herself in the lake with her wedding dress on. Now she has been known to walk along the shore calling out for her lost love before reliving her hell again and again by drowning herself every night.

## **IHS Soccer**

by Andres Ibarra

The last time I did this, the High School soccer team had four games. They had lost three games and won one game. Now the High school has had two more games which gladly they have won those two games. The first game out of the two they played Yerington, beating them 6-1. The last game out of the two HIS defeated Sage Ridge (Reno, NV) 7-1. Let's hopefully keep hearing good news and LET'S GO INCLINE!!!

## **Guess the spooky character!**

by Kaylee Alamilla

He is small, he is friendly, he is a ghost and his name rhymes with Jasper!

Do you know who he is?

He has green hair, he is mean, his name is a type of bug and something you drink.

Do you know who this is?

There are sisters, they are old, they are evil, and they eat children. Do you know who they are?

He is masked, he kills people, he gets revenge, and he is hot. Do you know who this is?

He is a doll with a wife and one kid. He has red hair and his name rhymes with lucky.  
Do you know who this is?

She has one brother, a pet hand and her name is a day in the week.  
Do you know who this is?

## Fall Recipe of The Week

by Mya Miller

### *Pumpkin seeds:*

How to make: while carving your spooky pumpkin separate seeds in a bowl, once you are done getting the desired amount of pumpkin seeds you want make sure to wash them off to get all the guts off. Once you wash the seeds, make sure to wash them off very well then put them in a bowl with a tiny bit of olive oil and some pumpkin spice. After mixing up the seeds, place them on a tray with parchment paper and bake at 350 degrees for 12-15 minutes.

## Restaurant Reviews

by Aspen Reichert

Today we will be reviewing restaurants in Incline Village. The first restaurant is T's, as quoted by Me and Snearly, "T's because, obviously!" The next restaurant is Crosby's. Personally, I hate Crosby's because I died after I ate it, but Diego and Zoe. G like it because apparently, they have really tasty food. Jayden J, requested that the next be Lupita's because "Lupita's is the only place in town with good sprite and the nachos are just too good to pass up!" I agree with Jayden because Lupita's is one of the best restaurants in town. Now for the

least favorite restaurants. According to Misha, the worst restaurant in town is "Rookies because it's nastalious and the food is dookie." Jaydens least favorite restaurant is the Thai food place next to Inclined Burger "Because Thai food is so dookie and if you eat it, do not talk to me! XOXO Gossip Girls."

## NFL Updates

by Aspen Reichert

This week has led to a momentous week for the NFL. Week 6 coming to a close and the start of Week 7. This week has led to a couple of surprising victories. For example, the Chicago Bears had their first win in over a year against the Commanders. Another result of surprising victories leaves no teams undefeated. The 49ers lost to the Browns and the Eagles lost to the Jets, but both remain at the top of their division and at the top of the league. In more important news, the Chiefs are facing a major setback as Travis Kelce is facing an ankle injury as Taylor Swift's bf was pulled by medical staff out of the game.

## October Birthday Twins

by Ashlyn James

Even though some of their birthdays have passed, we still want to celebrate them and their twins. First, we have Tyler Hunt on May 10, 2009. Tyler does not have a twin in this school, but his famous twins are Kate Winslet, an actor from *The Titanic*, and Jacob Tremblay, a Canadian actor. Next up, we have Miley Mendina Soto (10/06/2009). She has a couple celebrity twins, but the most popular is Elisabeth Shue, a big actor playing in *Back to the Future* and *The Karate Kid*. Did you know that Nicolas Herrera Modesto shares a birthday with the famous rapper Eminem on 10/17? OMG there are three birthdays on the same day, and they are in different grades. The oldest is Ella Perez Avelar, born in 2009, followed by Justine Daniel in 2010, and in 6th grade, Bode Reichert, all were born on 10/20/2011. ## Cross Country Updates

by Saige Nolan

On a nice warm sunny day in September, the cross-country team went to a race in Tahoe city

hosted by North Tahoe Middle School. The same day the Incline High School cross country team also had a race there after the middle school race. The race was 1.94 miles and started at 12:00. The first race was 6<sup>th</sup> and 7<sup>th</sup> grade boys open. The first had three boy racer in this category. Beau Lombardi finished in 59<sup>th</sup>, Jack Acebo in 76<sup>th</sup> and Ricky Hefflefinger in 77<sup>th</sup> right behind Jack. The next race was the 6<sup>th</sup> and 7<sup>th</sup> grade boys top 8, in 19<sup>th</sup> place we had Saloman McMahan with a great time of 14:06, Teague Searle finished in 60<sup>th</sup>, right behind him Atticus Edwards in 61<sup>st</sup>, Diego Garcia in 69<sup>th</sup> and Phin Zikas in 81<sup>st</sup>. We had no girls race in the 6<sup>th</sup> and 7<sup>th</sup> girls open race, but we had Lily Meinnert finished 26<sup>th</sup>, Hattie Rudd in 42<sup>nd</sup> and Nicole Salas finished 51<sup>st</sup> in the 6<sup>th</sup> and 7<sup>th</sup> girls top 8 race. After the girls was the 8<sup>th</sup> grade boys' race, Jaxon Abbate finished 4<sup>th</sup> with a time of 13:00, Xavier LaForge finished 10<sup>th</sup>, and Leo Dukes in 34<sup>th</sup>. The last race of day was the 8<sup>th</sup> grade girls, Saige Nolan finished 2<sup>nd</sup> with a time of 14:33, Kaylee Alamilla in 8<sup>th</sup> and Zoe Garica in 9<sup>th</sup>. The cross-country team did great at this race, make sure you congratulate them.

Friday the 15<sup>th</sup> of September the XC crew had another race. It started on a sunny afternoon when the cross-country team left to go on the 1 hour and a half bus ride down to Pau Wa Lu Middle School in Gardnerville, NV. The race started at 3 and was 2.25 miles. First to race was boys top 8, Saloman McMahan placed 20<sup>th</sup> with a time of 15:36, Atticus Edwards got 41<sup>st</sup>, Caleb Carsman got 59<sup>th</sup>, Teague Searle in 65<sup>th</sup>, Finn Zikas 80<sup>th</sup>, Ryker Romo in 84<sup>th</sup> and Adolfo Sigala Munoz in 85<sup>th</sup>. In the top 8 girls, we had Lily Meinert finishing 36<sup>th</sup>, Hattie Rudd

46<sup>th</sup>, and Nicole Salas in 47<sup>th</sup>. The next race was the 8<sup>th</sup> grade boys; Xavier LaForge got 5<sup>th</sup>, Reeve Denton 20<sup>th</sup> and Leo Dukes got 32<sup>nd</sup>. The last race was the 8<sup>th</sup> grade girls like always. Saige Nolan got second place, and Zoe Garcia finished 11<sup>th</sup>.

On Thursday, September 21<sup>st</sup>, the cross-country team traveled over to Virginia City for another race with a parent race after. Most teammates were not looking forward to the course because it has a super steep hill that you must walk up at the start of the race, the downhill was also not the best because there were lots of loose rocks that everyone tripped and slipped on. The top three finishers in each race received a gold pan because there was an abundance mining history about in Virginia City. The first race was the 6/7 boys open race, Beau Lombardi was the first boy from our team to finish in that race and got 57<sup>th</sup>, Jack Acebo finished 90<sup>th</sup> and Ricky Heffelfinger 93<sup>rd</sup>. The 6/7 top 8 boys were next, and we had Saloman McMahan finishing 24<sup>th</sup>, Teague Searle 43<sup>rd</sup>, Caleb Carsman in 80<sup>th</sup>, Atticus Edwards 83<sup>rd</sup>, Finn Zikas 89<sup>th</sup> and Ryker Romo right behind him in 90<sup>th</sup>.

The week before break they went over to the other side of the lake, South Tahoe. This race was retro themed, so a lot of the teams used face paint, and some went a little crazier than others. The course was 2.1 miles, and it were two loops around a South Tahoe football field in the woods. It had a small hill, but nothing like the hill in Virginia City. The first race was the 6/7 boys top 8, Saloman McMahan got 37<sup>th</sup>, Teague Searle in 48<sup>th</sup>, Atticus Edwards 67<sup>th</sup>, Beau Lombardi 85<sup>th</sup> and Finn Zikas finishing 94<sup>th</sup>. In girls top 8 Ashlyn James finished 26<sup>th</sup>, Lily Meinert

41<sup>st</sup>, Hattie Rudd 62<sup>nd</sup> and Nicole Salas right behind her in 63<sup>rd</sup>. In the 6/7 Boys open race we had them all finish near each other with Ryker Romo in 75<sup>th</sup>, Jack Acebo in 83<sup>rd</sup> and Ricky Heffelfinger in 84<sup>th</sup>. For 8<sup>th</sup> grade boys Jaxon Abbate took 7<sup>th</sup>, Xavier LaForge 8<sup>th</sup> place, and Leo Dukes in 40<sup>th</sup>. In the 8<sup>th</sup> grade girls race, we had Saige Nolan getting 2<sup>nd</sup>, and Kaylee Alamilla in 11<sup>th</sup>. Over October break there was a race in Ash Cannon hosted by St. Theresa. Xavier was the only one who showed up from IMS, and he ended up doing great posting a respectable 15<sup>th</sup> place.

Last Thursday, October 10<sup>th</sup>, the cross-country team traveled to Khale Park at Stateline, Nevada for the cross country championships. At the championships there are many more teams than all the other races, so it makes it a lot harder. The 6/7 graders top 8 and open must run 2.3 miles, but the 8th graders have to run a longer course which is 2.6 miles. The race day started with the bus ride over with lots of loud singers, arguments and laughing until we got to the race around 11:45, because the first race was 8th grade boys at 1:00. Jaxon Abbate finished 10th, Xavier LaForge in 14th, Reeve Denton 27th and Leo Dukes 50th. The next to the race were the 8th grade girls 10 minutes after the boys, so some girls caught up to the boys. Saige Nolan got 2nd place, Zoe Garcia in 11th, and Kaylee Alamilla in 12th right behind Zoe. The boys top 8 was the next race at 2:00; Saloman McMahan placed 30th, Teague Searle 72<sup>nd</sup>, Caleb Carsman 75<sup>th</sup>, Atticus Edwards 88<sup>th</sup>, Beau Lombardi 89<sup>th</sup> and Finn Zikas in 99th. Next to race was the girls 6/7 top 8 girls and Lily Meinert placed 20th, Ashlyn James 29th, Nicole Salas 60th and Hattie Rudd 62nd.

For the boys open 6/7, Ryker Romo finished in 71<sup>st</sup>, Jack Acebo 78<sup>th</sup> and Ricky Heffelfinger 87<sup>th</sup>. Make sure you say congratulations to all the athletes that ran, because they all had good seasons and worked very hard.

## Most Common Halloween Costumes Over the Decades

By: Aspen Reichert

Over the decades, Halloween has become one of the most popular holidays across the nation. Here are the most common costumes from 1970-2020.

1970s- As the idea of dressing up as popular movie characters caught on, everyone started dressing up as characters instead of traditional costumes like witches, cats, and vampires. In the 1970s, everyone was dressing up as The Tin Man, The Bionic Woman, Bambi, and Cinderella.

1980s- In the 1980s, Madonna became a really big thing along with The Hulk due to the movie that had just come out at the time. All the most common costumes in the 80's were Mr. T, Madonna, The Smurfs, Strawberry Shortcake, Star Wars characters and The Hulk.

1990s- In 1990s, two shows *Teenage Mutant Ninja Turtles* and *Power Rangers* had just come out

leaving a high demand for Leonardo, Michelangelo, Donatello, or Raphael. Every color Power Ranger also sold out in store across the country.

2000s- In the 2000's Britney Spears was the biggest pop star of her time, and it came as no surprise when the top Halloween Costume of the year was Britney Spears. Some of the other top costumes were Hulk Hogan, Freddy Krueger, and Care Bears.

2010s- With the craze for Britney Spears over and more and more people obsessing over Lady Gaga, one of the most popular costumes of the '10s was Lady

Gaga's iconic meat dress outfit. And with people keeping on theme with the pop stars some of the other common costumes were Justin Bieber and Katy Perry.

2020s- Even though we were only three years into this decade the most common Halloween costumes in 2020-2022 were Witches, *Fortnite* characters and Harley Quinn due to all the movies that had come out featuring her in them.

**Best scary movies:** The best scary movie is *The Exorcist* (1973). *The Exorcist* is a movie about the demonic possession of a young 12-year-old girl and her mother trying to attempt to rescue her by two Catholic priests. I recommend this movie if you want to hide under your blanket. The new *Exorcist* is scarier, I have not watched it and I never will. Next up, we have *The Conjuring* (2013). *The Conjuring* is a truly scary horror movie that is based on a true story about a haunted house, a demonic possession, and an exorcism. This is the type of scary movie that gives you nightmares knowing it is based on a true story. Then we have *The Texas Chain Saw Massacre* (1974). This movie follows a group of friends who fall victim to a family of cannibals while on their way to

visit an old homestead. The film was marketed as being based on true events to attract a wider audience and to act as a subtle commentary on the era's political climate. Now this next is *The Ring* (2002). The Ring films revolve around a cursed video tape; whoever watches the tape dies seven days later, unless the tape is

copied and shown to another person, who then must repeat the same process. Another scary movie is *Lights Out* (2016). This movie is about a terrifying force that arises from her family's past; a woman must protect her young step-brother from a spirit that kills its victims in the dark. Now I know why I have a fear of the dark. Next is *Smile* (2022), *Smile* is a weird movie because most people just think its people smiling for an hour, but no, this movie is a metaphor for a person's control over their mind in response to trauma, and the pressure people feel to cover up their struggles with fake happiness. *The Entity* (1982) is Mr. Vaughan's best scary movie. This movie about a woman who claimed to have repeatedly been haunted from an actual entity face to face, making actual physical contact with the woman. I do not think Mr. Vaughan slept with light off when he saw *The Entity*. Finally, we have *The Wrong Turn* (2003) The film follows a group of six individuals being stalked by someone who wants to eat them in the woods.

**Worst scary movies:** The worst scary movie is *One Missed Call* (2008). The acting was very off, and it was one of the worst rated movies in 2008 with a one-star rating. The film pivots around the idea that an angry, vengeful spirit who somehow uses cell phones to identify and travel to its next victim. After each victim receives the call, he or she begins seeing images of scary dead people, massive centipedes and other insects keep turning up to alert us when the ghost is nearby. The next movie(s) are all the *Scream* movies. Hear me out, they are exceptionally good movies, but they are not scary at all. *Scream* is about a killer in a ghost face mask having targets to

kill and calling them before killing them. These movies all have the same story but always have different people behind the mask. *Scream* has a lot of trust issues. Next up we have all *Megan* (2022). *Megan* is a movie about an artificially intelligent doll, who develops self-awareness and becomes hostile toward anyone who comes between her and her human companion and she gets crazy, so she starts to kill random humans. *Megan* was not scary; it was very entertaining. *The Blob* (1958) is a film concerning a carnivorous weird creature that crashes to Earth from outer space. It envelops living beings, growing larger, becoming redder in color and more aggressive, eventually becoming larger than a building. Lastly, we have *Jaws the Revenge* (1984). This movie is about a great white shark who is seeking revenge on a family and tries to kill a young kid.

## Flag Football News

by Tucker Skidmore

After 6 weeks of flag football there are plenty of things to go over. Here are some flag football highlights.

As of week 6, the 49ers are the most winning team in the league. Coming in as the second most winning team is the Browns (my team). In third place, is the Bills. Some of the 49ers players you might know are Kyler Seward, Andrew Avakamian and Adan Ayala. Some of the Browns players you know are Austin Morris, Axel Morris, Tucker Skidmore, Ryder Yelle, and Kayden Bush.

Austin Morris has been an outstanding quarterback for the Browns. He throws dots and he is

fast. In week four against the bills, Austin threw three touchdown passes and had a pick six. He is quite an amazing player.
